EXTREMELY GOOD AT

- Mergers and acquisitions (buyer and seller side) – private and a focus on small to mid-cap businesses
- Capital raises, from startup and early stage raises to initial public offerings
- Corporate advisory and compliance with ASIC obligations
- Review and drafting of business and commercial contracts

HIGHLIGHTS

- Assisted a number of companies with corporate transactions and commercial contracts in the renewables sector, including new battery technology, electric vehicle charging stations and EV financing
- Assisted with the founder sale of an Australian advertising business to a large European firm with a value of AU\$10+ million
- Assisted with various equity and debt fundraising activities for Hometime Group Pty Ltd, a growing Australian holiday property management platform
- Completed due diligence and managed the completion of the acquisition of a pharmaceutical business by Bioxyne Limited (ASX:BXN)
- Assisted with the sale of CrossPoint Technology Solutions to New Era Technology, a large US-based business technology solutions company
- Assisted with the initial public offering of Polymetals Resources Limited (ASX:POL)

CLAIM TO FAME

Chatted to Murray Wiggle at a rock gig in Chippendale

USELESS NICHE EXPERTISE

Endless unapologetic Peep Show references

FOOD PHOBIA

Olives – absolutely nasty
